

A Fresh Start for Students and for Parliament

As summer comes to an end, I want to thank everyone in our community for making these past few months so special. From local events to community celebrations, it's been wonderful to see so many of you and hear what matters most to you and your families.

Back-to-school season is an exciting time, but it also brings extra costs. Our federal government continues to support Canadians through the Canada Child Benefit, the Canada Dental Care Plan, and investments in affordable child care. Seniors also benefit from the OAS, GIS, and CPP, while Canadians with disabilities can now access the new Canada Disability Benefit. To make it easier to see what supports may be available to you and your family, for this month's mailer we are featuring the Federal Benefits Calendar.

If you have questions, require assistance, or simply want to share your ideas or feedback, please reach out to my constituency office.
